The Associated Students of Solano College will be hosting our

## 3RD SEMESTERLY BONE MARROW DONOR DRIVE

OCTOBER 9TH AND 10TH  
10AM to 3PM

RIGHT OUTSIDE BUILDING 1400  
FAIRFIELD MAIN CAMPUS

Since Fall 2012, over **200 Solano Community College students** have signed up to become donors- and we've found **two** potential matches so far.

Considering there's literally a ***one-in-a-million chance*** of being a match, that's phenomenal.

You really could save someone's life with just a few minutes of your time.

Every year, 12000 patients search the marrow registry hoping to find a life-saving match. Please come by and register!
